Letters:

A note from Shannon's advising that the date for the 1995 Albert Park Classic Motors in the Park is 22nd October, 1995.

A note from Sovereign Hill, Ballarat, showing the area as a venue for car club outings.

We received a letter from the Leyland Classic Car Club covering their technical articles.

A thank you note was received from Hal Maloney concerning support from the club in the Round Australia Trial.

General Business: Alan explained the current situation on Gasket Sets and we have ordered some more for both the V8 and the 6 cyl motors.

We have also ordered a small batch of locally manufactured windscreens.

Alan is still sorting out the availability of indicator lenses and water pump impellers.

M and R Automotive, Redcliffe can supply 6 cyl Thermostats.

There was a general discussion on the All British Day and the Bunderberg Car Spectacular, more details are in the Social Calendar.

Meeting closed at 9.45 p.m..

EDITORIAL

August already. It will soon be time to do our Christmas shopping. This month we have had to make changes to the social calendar, as the All British Day is being held on 27th August. Also on sept 23rd A car Spectacular has been organised in Bundaberg, looks like there will be plenty to do there.

The rates are quite reasonable \$35-00 covers you and a partner for T-shirt, Goodies Bag, Judging, Entry to all displays and driving events Sausage Sizzle, Saturday night entertainment and camping fees, an extra person will only cost a further \$10-00 Looks like pretty good value.

The economy run last month was a lot of fun. We all met at Landsborough where we filled our tanks. Then John Humpherys escorted us to the highest point in the ranges where the 360 views were breathtaking. Next we were back to Maleny to pick up light refreshment and then on to Baroon bam for a Bar B Q Lunch. About 3.pm we returned to Maleny to refill. The results were quite astounding really. We covered 47 Kms and John Huppherys driving a 6Cyl actually did 15.71 Kms per litre of fuel.

John Joyce also in a 6Cyl achieved 7.71 Kms per litre

Followed by	Adrian Spencer	7.62
	Allan Schutz	7.33
	Graham Rogerson	6.72
	Neville Humpherys	6.04

These last 4 were all V8 vehicles.

This month I have reprinted an article from Leylines, The Canberra Club magazine. It gives some idea of how many of each type of vehicle were manufactured.

MEMBERSHIP RENEWAL TIME IS HERE AGAIN.

This is your last magazine for the financial year. Please send your renewal of \$30-00 either to our mailing address, or to one of the committee. Remember spare parts etc. can only be sold to financial members.

See you at the all british day

ROGO RAVES

Hi Rogo again, Lots of things happening this month. It's that time of year again. The 27th of August is the Day of The All British car Clubs Day. Once again at The Ferny Grove Wool Sheds. We originally had this date down for the MotoKhana, so we have postponed that till later on. So lets roll up in force for the All British Day. We would like our name on the winners trophy again so any ideas on how to win this would be appreciated. We also have a camping weekend planned for Bundaberg in September. Some of our members up there would like us to join them in a car show, Which sounds great. Anybody interested please let us know as we need to book sites.

The Strut bushes we have seem to be working well. We are now working on getting water pump impellers made. Also we have purchased some bottom steering bushes. they are \$15-00 each. Well I will close for now and hope to see you all at The All British Day this next weekend.

Keep on P'ing

UPPER STRUT MOUNTS

OVER THE LAST YEAR THERE HAS BEEN A LOT OF CLUB MEMBERS WITH UPPER STRUT MOUNTS THAT ARE WORN OUT.

THE CURE FOR THIS WAS TO TAKE THE MOUNTS TO ONE OF THE SUSPENSION SPECIALISTS AND HAVE THEM REBUSHED AT APPROX. \$ 140.00.

IN ABOUT 90% OF THE CASES THE RUBBER PART OF THE MOUNT IS STILL IN GOOD CONDITION AND IT IS JUST THE INSERT THAT IS WORN OUT.

TO OVERCOME THIS PROBLEM AND SAVE CLUB MEMBERS SOME DOLLARS THE CLUB HAS SOME OF THE INSERTS MADE AND THEY LOOK JUST AS GOOD AS THE ONES MADE BY THE PROFESSIONAL SUSPENSION SHOPS.

THE CLUB IS SELLING THESE INSERTS IN THREE DIFFERENT WAYS.

THIS IS BECAUSE THE INSERTS NEED TO BE FITTED WITH A PRESS AS THEY ARE A VERY TIGHT FIT.

OPTION 1: BUY THE TOP MOUNT WITH THE INSERT PRESSED IN ON AN EXCHANGE BASIS.

OPTION 2: JUST BUY THE INSERTS AND HAVE THEM PRESSED IN AT YOUR LOCAL WORKSHOP.

OPTION 3: THE CLUB HAS ACCESS TO A PRESS AND FOR A SMALL CHARGE WE WILL FIT THE INSERTS IN YOUR MOUNTS (FITTING STRUT BUSHES HAS PROVED TO BE A VERY THIRSTY BUSINESS).

SO IF YOU HAVE STRUT MOUNT PROBLEMS AND WOULD LIKE TO SAVE ABOUT \$90.00 CONTACT GRAHAM ON 07 38881345 OR JOHN ON 074 975 389.

1995 BUNDABERG CAR SPECTACULAR

Dear Entrant,

As the Promoter/Organiser of the *Bundaberg Car Spectacular* I hereby extend a warm invitation to attend its second annual showing, this year in full weekend format on 23rd & 24th of September. My aim is to ensure this show becomes one of the nation's premier car shows and perhaps the major preliminary annual event to the Summernats in Canberra, where you can receive professional tips by qualified judges on making your 'pride and joy' the best it can be for the 'Nats'.

This year's show will be packed with things to do, see and buy (if you're looking for *that* bargain!). I guarantee to entertain you from the moment it begins to the show's end with some innovative new ideas and events combined with those tried and true favourites, but you'll have to be here to see 'em!

The *Winfield Cup footy Grand Final* falls across our weekend so we'll be winding Sundays events up by kick-off time later in the arvo and provide you with TV's, full bar facilities and an unbeatable atmosphere with which to witness it - what a great way to finish a top weekend!

Around \$7000 worth of trophies (*Grand Champion trophy* stands at approx 5 foot high!) and plenty of cash and prizes will be up for grabs with as much on offer for daily-driven streeters as for their show counterparts.

Camping with full facilities is provided on site Friday and Saturday evenings, so save a few bucks by mixing it with some old mates & meet a few new ones like I have at shows in the past!

A scenic Supercruise on Saturday arvo will wind through the attractive Bundy city centre then down to beautiful Bargara Beach to enjoy a *FREE Sausage Sizzle* on sunset. Following this, our Evening Entertainment guarantees to put a smile on ya dial!

The cost of entry will reflect about the best value for money you'll see so check it out on the '*Schedule of Events*' form and pre-enter as early as possible, its cheaper! All pre-entrants will receive a quality memento of the Show.

On receipt of your completed entry form, I will post you the finalised details on timings, events and other important info for the weekend. Oh, and in the event of a damp weekend we've got an undercover contingency plan so don't stress! This years event is the one definitely NOT TO MISS!! Hope to see you there.

"Vintage and classic vehicles reflect pride of ownership, create an emotional response and through their character and individuality, represent the essence of motoring".

Over twenty years ago, Robert Shannon, a keen motoring enthusiast, pioneered innovative and flexible insurance benefits like 'agreed value' and 'choice of own repairer' in response to the special needs of vintage and classic vehicle owners.

Today, Shannons team around Australia also own and love these special vehicles. We work together to exceed the level of service that you expect of us, to support the longevity of these beautiful machines.

Agreed Value

You receive the full sum insured (less any applicable excesses) if the vehicle has a total loss. You agree to the value of your vehicles with us when you arrange insurance, and in the event of an accident, total loss or damage, no depreciation is deducted.

Your Choice of Repairer

You have the option to choose your own repairer, and we will appoint a qualified independent assessor to manage the repairs.

Total Loss Salvage Options

For vehicles in Categories V, A, B, F & G (as shown on the schedule) you are paid the full sum insured (less any applicable excesses) and also keep the salvage. For vehicles in other categories you are paid the full sum insured (less any applicable excesses) and have the opportunity to purchase the wreck.

No Blame Excess

If your car has been damaged and you claim under the policy but you're not at fault, simply provide the name and address of the person responsible and you will not have to pay the policy excess.

Excess

In addition to any basic policy excess there is a \$500 age excess which applies to all drivers under 25 years of age.

Laid Up Cover

Special premiums are available for vehicles insured comprehensively while laid up, being restored, or at repair workshops, travelling to and from club events by trailer, and at club events.

Cover to Meet Your Special Needs

In addition to all the standard benefits you receive, you may apply for cover to meet your special needs including:

- Wedding Hire
- Club Racing Extension
- Modified Vehicle
- Club Registered Vehicles
- Limited Use
- Multi Vehicle Premium Advantage

Club Racing and Rallies

All vehicles in category V (Veteran and Vintage) are automatically covered for racing and rallying up to the agreed value shown on the schedule (less any applicable excesses). Other vehicles may apply for this benefit.

Special Personal Belongings and Tools

Your personal belongings and tools are covered for loss or damage whilst in the vehicle, to the value of \$400.

Free Windscreen

This benefit applies to accidental damage only, under comprehensive cover. You receive one windscreen or window glass replacement each year without applying an excess. Windscreens with pre-existing damage are not covered under the policy.

Parties to be Covered

Please name all parties who may have a financial interest in the vehicle or liability to be insured and who are to be covered.

Other Drivers - Car Club Members & Under 25s

If you are a Club Member and your vehicle is in Category V, A, B or F, cover is automatically extended to fellow Car Club Members and anyone driving your car with permission. For vehicles in other categories, or if you are not a Car Club Member, all drivers under the age of 25 must be nominated on the Policy Schedule.

Damage to Property of Others

Your legal liability is covered up to \$20 million for damage caused to property of others. You are also covered for up to \$5 million liability for bodily injury to others.

Classic Vehicle Policy

Thank you for insuring through Shannons, it is important to note that this brochure only provides an outline of the cover. Full details of your cover with all limitations, exclusions and terms are contained in the Classic Vehicle Policy, which is available on request.

When you send us your Proposal and payment, you will receive FREE the latest *Shannons Report* full of information, Car Club information and news of many exciting motoring events. Shannons proudly support over 250 Car Clubs and events around Australia annually. During the year you will receive updates regarding forthcoming events including our Vintage and Classic Auction Sales.

Tell Us How We're Doing!

Clients are the focus of our business, and your feedback will ensure we continue to provide products and services which best serve your special needs.

Our Cover Illustrations

We took a very special and significant step in 1994, and commissioned John Orlando Birt to create our new brochure cover. This award winning artist celebrates the emotional connection between classic cars and their owners. His work clearly reflects passion and commitment to quality, which are cornerstones of the culture of Shannons.

Operating in Australia since 1970, Shannons are a nationally competitive arranger of high quality, reliable and flexible insurance products, auctions and related services which serve the needs of the motor vehicle enthusiast movement.

Insurance is underwritten by Sun Alliance and Royal Insurance Australia Limited. As agents for the insurer, Shannons now arranges insurance for approx 50,000 veteran, vintage, classic, sports and modified vehicles, making Shannons Australia's leader in this market.
