ROGO RAVES

Hi Rogo here, Just a bit of a Rave this month.

I hope you are all well and the P's are going good.

One of our members had a bit of bad luck recently. apparently he blacked out at the wheel and crashed the car, It was a very nice executive but now is a right off. He came out of it with bruising. He rang me and asked if I thought he should let the towing company have the car for the towing fee of \$245-00.

What a rip off. I told him to get the wreck back as I'm sure we can do better than that. So anyone who is looking for a good motor, Power steering rack, Air Con, or anything else just contact me.

A few more parts have arrived, firstly Kenneth Leitch donated a trailer load, He shifted house and doesn't have as much storage space. thanks Ken.

We have also just picked up a car less motor for \$50-00. The body panels are in very good condition, No Motor but everything else is there.

I have been working on reconditioning Lower Control arms I've come up with someone who will inject the ball joint with Polyject. They also put a Grease Nipple in the ball joint I've had a pair done. they seem to be tops with new boots, They cost \$92-00 for the pair. If we can give him an order for 10 pair he can bring the price down to \$70-00 Pr. We will need your old ones in exchange.

There are a couple of good P's for sale this month. the N.V. Green sounds good (rare Colour). But the best buy is the Targa I have seen the rebuild photos so I know that is a Top Car.

Well I think that is all I have to Rave about this month now looking forward to Blackbutt this weekend, see you there.

ROGO

EDITORIAL

Well Last months outing was well attended. But wasn't the weather hot and steamy. thank goodness it's started to cool off. We left the B.P. in convoy but one car was missing. So U turn back to find Chris with the bonnet up. A raised bonnet is like a magnet to these would be mechanics. A few of us went on to meet the members at Sandgate. I travelled with the Dollisson family as Graham had stayed behind to assist. we arrived at Pelican Park and only managed to say Good day when the stragglers turned up. So the repairs didn't take long.

I'd like to see someone fix a new car on the side of the road. they usually end up being towed away. and costing the owner hundreds of dollars.

We elected to stay at Pelican Park as the early birds had found a nice shady spot by the side of the playground so we settled there for the day. An enjoyable time was had by all those who attended.

This weekend is the trip to Blackbutt, Gray and I. along with Col and Sandra Warnock will be leaving around 6.30am, to arrive in Blackbutt by 9.00, this should give us time to put up the Camper ready for our overnight stay. Voting will not be a problem as a polling booth will be on site all day. The set up for the Parade has now been changed to Sutton st, I have included a copy of the map showing the route we will be taking.

Also in this months magazine I have included an update on the Easter Get Together.

There is information on a Swap Meet being held at Ormiston, on 31st March. Those of you not going to Cockburn might like to check this one out

And on Saturday 16th March The Brisbane Districts Street Machine clubs have Organised a Poker Run. The starting point is The Myer Chermside shopping centre car park. The cost to enter is \$5.00 per car and the starting time is 1-30pm. The competition is in aid of the Qld Cancer Fund. And the finishing line will be the Ettamogah Pub. Should be Quite an interesting day out.

We haven't included this as part of our calendar as a Saturday is awkward to most members. However don't let this stop you from entering, I don't think numbers are required. So if you wish to enter just turn up.

We had a nice thank you letter from Dierdre Humpherys she is well on the road to recovery. but still has a long way to go.

We have had word that The New Front Indicators should be ready around the 23rd March.

Allan Wildman gave us a talk on a New discount card known

as Access. The cost of this is \$130-00 per year but by shopping wisely you can save quite a few hundred dollars if you would like more information on this allan can be contacted on 357 9696

Brett Shaw gave us a talk on The Fuel Star Unleaded convertor. He also bought along a Video of the Product. He has fitted the convertor to his Targa and will keep us updated on how this goes. After reading the reports from Tony DeLuca of the Sydney Club, this conversion sounds like the way to go. Specially with the government threatening to take leaded petrol off the market. Or failing that it will become so expensive, we won't be able to afford to run our cars.

Dear Sir/Madam

CHANGE IN ASSEMBLY POINT & ROUTE FOR CENTENARY PARADE 2 MARCH 1996

We have had to make a late change to the assembly point and the route for the parade.

The parade will now assemble in Sutton Street and proceed along Sutton Street down Coulson Street into Hart Street and then into Margaret Street before concluding on the oval at the school.

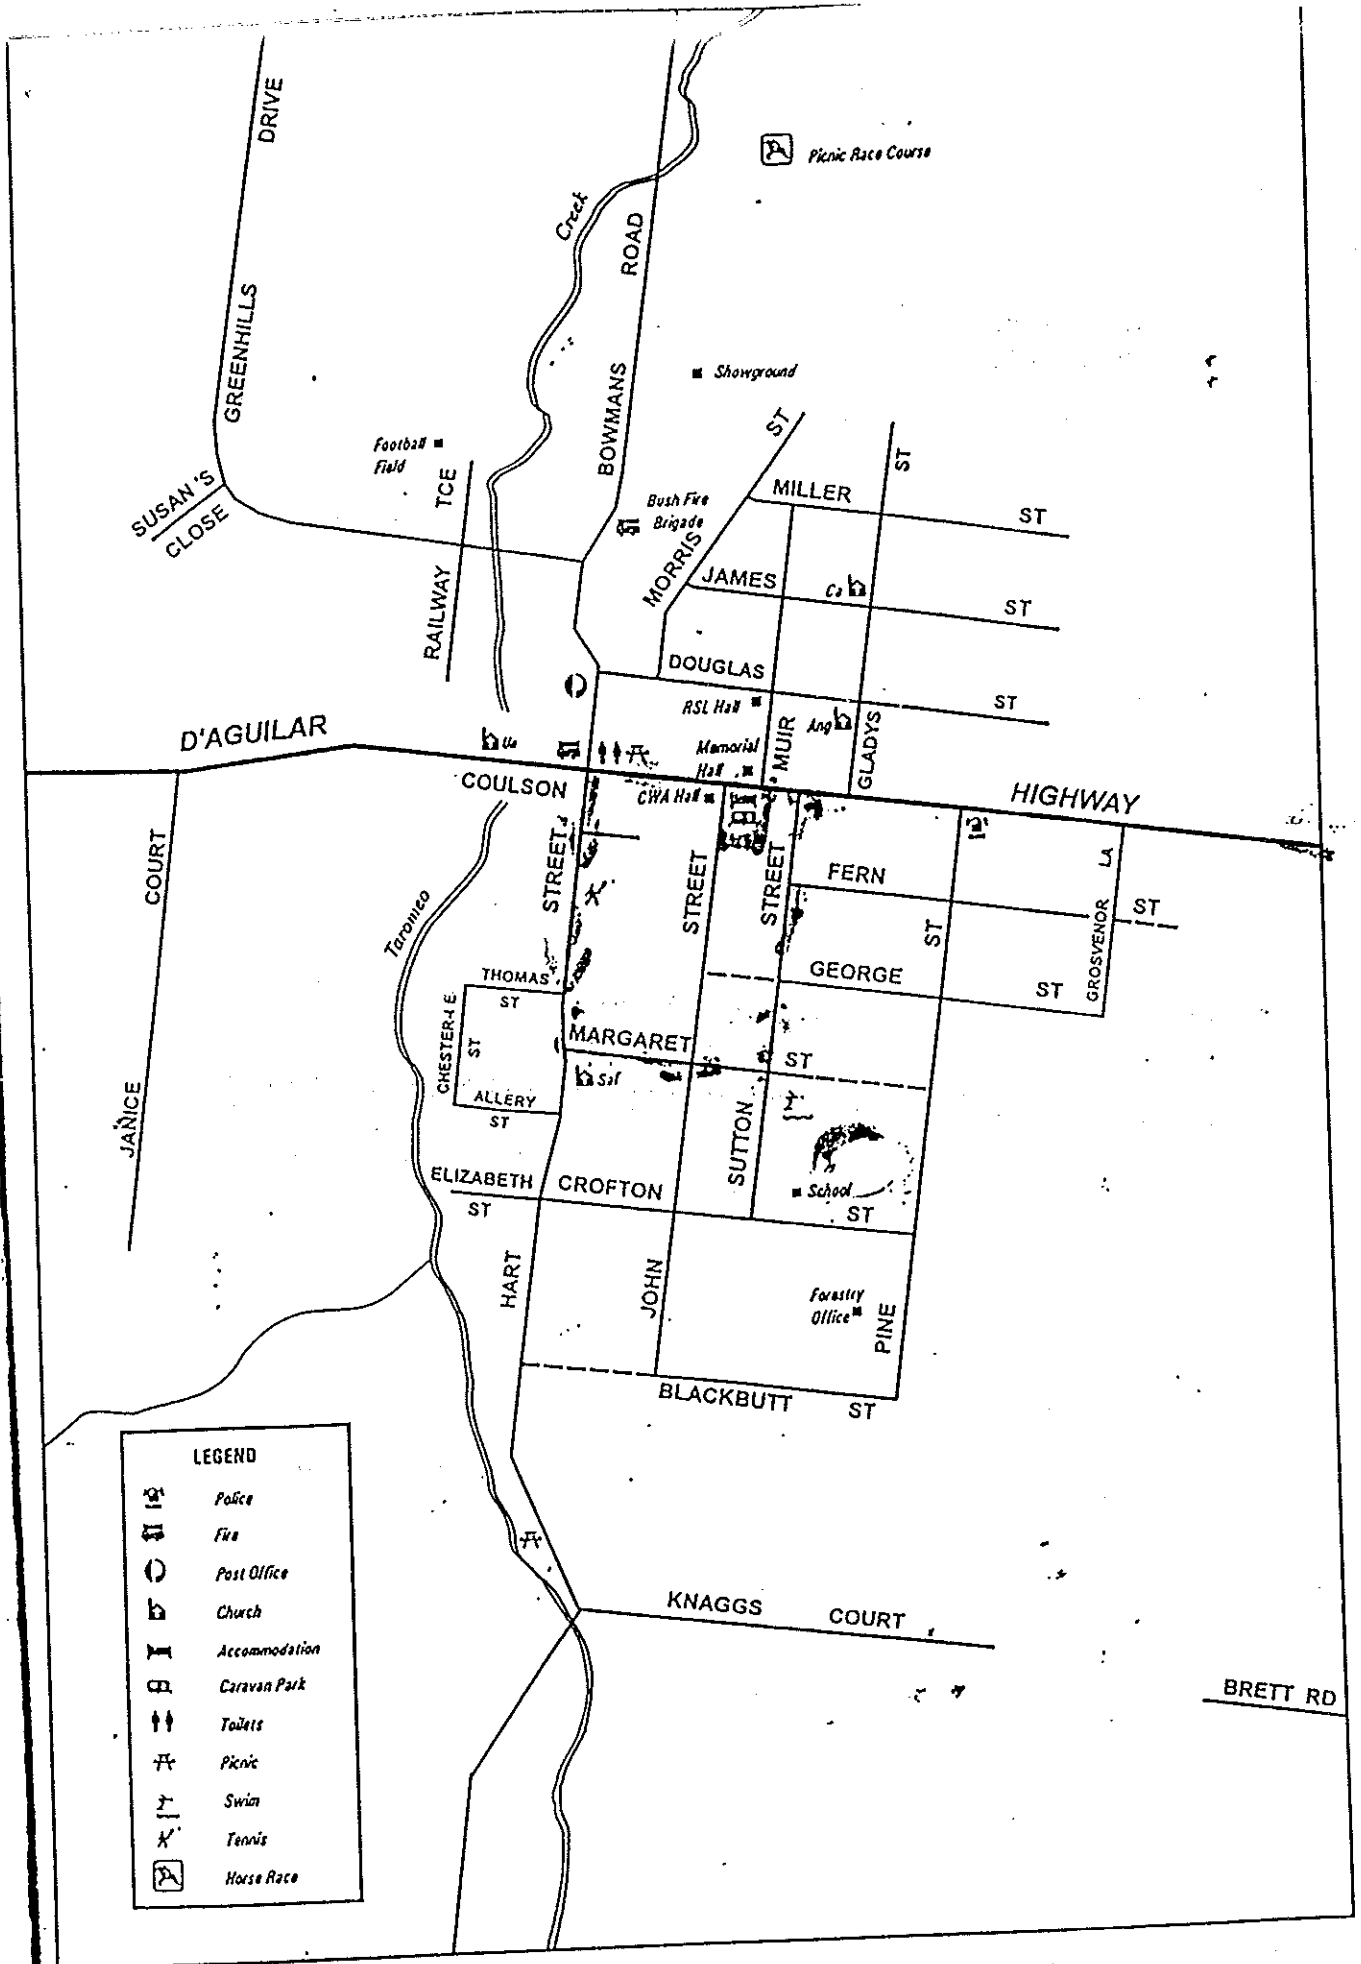

For those of you who are might be unfamiliar with the streets I am referring to, I have enclosed a map to assist. Please note that the streets referred to will be closed from 9.30am and you may need to use a side street to get into Sutton Street to assemble.

I cannot stress too much how important it is that you get into the assembly area as early as possible so that the parade can be lined up with as little disruption as possible.

I will still be available from 2pm on Friday 1 March for any last minute enquiries on
(071) 630730

Yours faithfully

Martin Keast

COCKBURN UPDATE

"Fun in the Stix in '96"

Easter is drawing near so it's time to update the news for our Cockburn Meeting.

Bookings are coming along nicely, but there is still room if you are thinking of coming. We have secured 8 more powered sites.

Bedding WILL BE supplied, but bring an extra blanket if you think you will need it. The weather for that time of year (we have been told) should be fine to mild with cool nights.

DON'T FORGET the Wild West Night on the Sunday night and bring an appropriate costume for the occasion and be ready to party, party, party.

Accommodation prices as quoted previously includes all meals from Friday night to Monday morning and all activities organized at Cockburn. There will be the opportunity for tours to surrounding points of interest.

Booking-in will be from 9.00 a.m. Friday morning, just look for the lady with horns in the Community Hall.

The Cockburn Progress Association, who are doing the catering etc. are looking forward to the weekend and to meeting you all. Along with them we can guarantee a fun weekend with lots of surprises.

So if you haven't sent your deposit, get to and do so, so as not to miss out. Please send cheques made out to Leyland F76 Owners Club S.A. Inc. and address them to Gerry Stewart, 117 King Rd, Salisbury Downs, S.A. 5108.

If you have any further enquiries, please don't hesitate to phone me. a.h. (08) 285-7489.

SEE YA THERE!

Dear Sir/Madam,

Re: STUDIO PHOTOGRAPHY FOR VEHICLES

Please find enclosed a flyer which is self-explanatory and it is intended to be a method of advising your members of a new exciting Photographic Studio recently opened in Fortitude Valley. This Studio can accommodate vehicles upto 15 metres in length. In fact, it is the biggest of it's kind in Australia.

The photography is carried out by myself and an associate, who was nominated for the 1995 Australian Photographer of the Year. Whilst the photography is guaranteed to equal the best in Australia, you can be assured it is at very affordable rates.

Should the situation require driver, team shots and sponsors, these can be included. After the photography is completed, we can also organise trackside giveaways/ posters and media releases.

If you could kindly pass this announcement onto your members it would be much appreciated. However, if this request seems a lot of work and an increase in postage costs, I would gladly bear this burden, if you could furnish me with a mailing list.

Trusting my Company can be of a service to you and your Club Members.

Yours faithfully
