ROGO RAVES

Hi it,s me ROGO to do a bit of raving again, Did we have a good time in Blackbutt? You bet we did. We had a roll up of 8 P's which was really good considering where it was, The caravan park was good. right in the middle of town. After we checked in we had to assemble in one of the side streets ready for the procession to start. We managed to be behind the reserve army band, Which in turn was following the Kindergarten Kids. By the time we got through town our cars were getting pretty hot. I think that most of the Town had turned out to see us, and a lot of good comments about the cars were heard. After we had parked and displayed our cars at the school grounds, a few of us decided to wander back to the Pub for a refresher, and we needed the exercise. After a few pots and lunch we headed back to do the right thing and cast our vote. We then collected our vehicles. and returned to base camp to get ready for the evenings entertainment. A nice handy venue, The Bush dance and dinner was held opposite the caravan park. After a good feed and a few jugs we staggered back across the road to bed. Up early Sunday morning and on to Kingaroy for breakfast at Maccas. Only 50Klms down the road with a sight seeing tour of the power station thrown in, We just made MacDonaldis in time. After a Huge breakfast we went off to find a Kingaroy member Don Pearson. We checked out his range of cars, Drank his tea and then left for home. It was a really good weekend and quite a change from the usual rat race.

I recieved a phone call last week from a guy from the T V station BRIS 31. It,s a local station and they are interested on doing a story on the P76. We are organising a meeting at Cleveland for filming of this. Check Social Calendar for details. well thats all for me for this month, see some of you at Cockburn for fun in the stix in 96.
