ALLENSTOWN, QLD. 4700.

Dear Motoring Enthusiast

We are pleased to invite you to participate in Classics By The Coast 2003 an event organised by members of The All Classic Motor Club of Central Queensland.

"Classics By The Coast 2003" will once again be a major display of classic cars and bikes in a friendly, relaxed Show & Shine format. To be conducted on Sunday May 25~h 2003 at Bell Park Emu Park, "Classics By The Coast 200Y" will be an opportunity for enthusiasts from Central Queensland and other areas to display & see a wide variety of classic vehicles of all ages and nationalities. The event is expected to once again attract 150 to 200 vehicles and perhaps several thousand visitors. The day will also raise funds for Camp Quality and the Royal Flying Doctor Service with all profits going to these worthy community services.

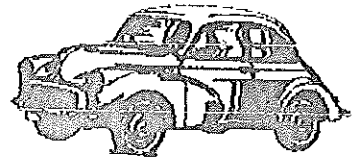

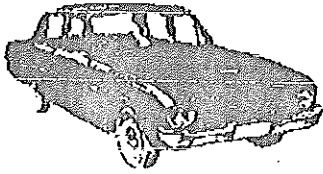

Display vehicles like your own are now being sought. We are not necessarily chasing "Show" vehicles. If you are proud of your "Classic", bring it along & display it! Like previous events run by this club, we encourage owners of Classic vehicles used every day to participate in this event. We don't have a definition of "Classic", if it's a worthy example of it's automotive era or something a bit different or special this display is aimed at you.

Displayers will be charged \$5.00 only, to go towards Camp Quality and the Royal Flying Doctor Service. Public entry is free but a gold coin donation is encouraged. In keeping with the family fun-day theme, there will also be market stalls, children's rides and food & drink available, with all of these also contributing donations from their takings.

"Classics By The Coast 2003" is not a car show and no judged trophies will be awarded. However, Public Choice awards will be made to several of the most popular displayers on the day (as voted by the public). So bring your vehicle, family & friends along to this great event, help celebrate our "Classic" motoring heritage and raise funds for Camp Quality and the Royal Flying Doctor Service. Please return the enclosed entry form as soon as possible to allow us to organise our sites and finalise arrangements.

Please contact me on the above phone number or Gary Holy on (07)49 331530 for further information. Or visit our website at "-w.aliciassicmotorclubcel.org.au We look forward to your involvement.

Yours faithfully,

Send all entries to: The Secretary, All Classic Motor Club CQ Inc., PO Box 8420,

Subject: Some New Darwin Awards

Darwin Awards - or - Deep Cleaning the Gene Pool

Hard to believe, but another year has passed. For those who don't know it, we have once again found the Darwin Award Winning Nominees. The Darwin's are awarded every year to the persons who died (or almost died) in the stupidest way.

Named Darwin Awards because it is hoped that "Survival of the Fittest" means something. Hopefully these people haven't passed along their stupidity.

This year's nominees are:

Nominee No. 1: [San Jose Mercury News]

An unidentified man, using a shotgun like a club to break a former girlfriend's windshield, accidentally shot himself to death when the gun discharged, blowing a hole in his gut.

Nominee No. 2: [Kalamazoo Gazette]:

James Burns, 34, (a mechanic) of Alamo, Mich., was killed in March as he was trying to repair what police describe as a "farm type truck."

Burns got a friend to drive the truck on a highway while Burns hung underneath so that he could ascertain the source of a troubling noise.

Burns' clothes caught on something, however, and the other man found Burns "wrapped in the drive shaft."

Nominee No. 3: [Hickory Daily Record]:

Ken Charles Barger, 47, accidentally shot himself to death in December in Newton, NC, awakening to the sound of a ringing telephone beside his bed, he reached for the phone but grabbed instead, a Smith & Wesson 38 Special, which discharged when he drew it to his ear.

Nominee No. 4: [UPI, Toronto]:

Police said a lawyer demonstrating the safety of windows in a downtown Toronto skyscraper crashed through a pane with his shoulder and lunged 24 floors to his death. A police spokesman said Garry Hoy, 39, fell into the courtyard of the Toronto Dominion Bank Tower early Friday evening as he was explaining the strength of the building's windows to visiting law students. Hoy previously has conducted demonstrations of window strength according to police reports. Peter Lawson, managing partner of the firm Holden Day Wilson, told the Toronto Sun newspaper that Hoy was "one of the best and brightest" members of the 200-man association.

Nominee No. 5: [Bloomberg News Service]:

A terrible diet and room with no ventilation are being blamed for the death of a man who was killed by his own gas. There was no mark on his body and an autopsy showed large amounts of methane gas in his system. His diet had consisted primarily of beans and cabbage (and a couple of other things). It was just the right combination of foods. It appears that the man died in his sleep from breathing the poisonous cloud that was hanging over his bed. Had he been outside or had his windows been opened, it wouldn't have been fatal. But the man was shut up in his near airtight bedroom. According to the article, "He was a big man with a huge capacity for creating "this deadly gas." Three of the rescuers got sick and one was hospitalized.

Nominee No. 6: [The News of the Weird]:

Michael Anderson Godwin made News of the Weird posthumously. He had spent several years awaiting South Carolina's electric chair on a murder conviction before having his sentence reduced to life in prison.

While sitting on a metal toilet in his cell attempting to fix his small TV set, he bit into a wire and was electrocuted.

Nominee No. 7: [The Indianapolis Star]:

A cigarette lighter may have triggered a fatal explosion in Dunkirk, Indiana. A Jay County man using a cigarette lighter to check the barrel of a muzzle loader was killed Monday night when the weapon discharged in his face, sheriff's investigators said. Gregory David Pryor, 19, died in his parents' rural Dunkirk home about 11:30 PM. Investigators said Pryor was cleaning a 54-caliber muzzle loader that had not been firing properly. He was using the lighter to look into the barrel when the gun powder ignited.

Nominee No. 8: [Reuters, Mississauga, Ontario]:

A man cleaning a bird feeder on the balcony of his condominium apartment in this Toronto suburb slipped and fell 23 stories to his death. Stefan Macko, 55, was standing on a wheeled chair when the accident occurred, said Inspector D'Arcy Honer of the Peel Regional Police. "It appears the chair moved and he went over the balcony," Honer said.

Finally:

Nominee No. 9, The Winner!!!: [Arkansas Democrat Gazette]:

Two local men were injured when their pickup truck left the road and struck a tree near Cotton Patch on State Highway 38 early Monday. Woodruff

MARCH OUTING

Sunday 30th March

You are invited to meet at Andrew Gibbons home at 9 Barrett St, Birkdale (up easement) at 10 am for morning tea. (nothing to bring)

At about 11 am we will head off on a run to Shorncliffe for lunch. You will be doing a observation run ending at Moora Park, above the long jetty at Shorncliffe.

The club will have the club trailer on site where you will have lunch.

From there we may make a surprise visit to a club member in the area.

Look forward to meeting you all on Sunday.

Adrian

Publicity Officer.

PS you can come in the other car.

Andrew's number is 0412058137.

Adrian number is 07 33140058 or 0414383503

For Sale

\$1500.00 as is (rego runs out end April)

Leyland p76 Super V8

Nutmeg with parchment interior.
