PRESIDENTS REPORT

Yet another month has passed and once again its getting closer to Christmas. For something different this year we are going to have our Christmas Party at the markets and setup a display for the people there up on the side of the hill. A few idea's were passed around and this is where it was decided to have the Christmas Party. And for a change to the normal we will ask the local onlookers to vote of the best P76 car that is there. No one from the committee or the Club will be able to vote, we will leave it up to the locals to decide the outcome. So remember to have your car looking good for the concourse. Full details are further on in this Magazine.

For all those that didn't make the meeting, I would like to thanks Faye from Shannon's Insurance for her time on Friday night; giving all those present a talk on Insurance with Shannon's and showing the Glenn Ridge Video.

Also in this months Magazine there should be a membership card from the Australian National Motoring Association. If you card is not in this months magazine, don't worry, it will more than likely be in the next. The club only received the first lot of cards. If you have paid for you membership to the QLD P76 Owners Club then you automatically become a member of the ANMA which gives you Public Liability Insurance. This is where \$20 of your membership goes to.

Another matter is your membership number. Over the last year or two the Club has some how lost details of your membership Number. Unfortunately we need this number to validate your membership with the ANMA and we need to know this number. If you name appears after the Presidents Report please contact the President so that we can fix the mishap and get all the insurance problems sorted out.

Finally some good news on the Easter 2004 Meeting at Tallebudgera on the Gold Coast. This is the main reason why this months magazine was delayed. The good news is that it has been confirmed that we have accommodation. The only bad point is that its for 100 people only. The price is unbelievable for the venue. All up for the weekend it will cost each person \$200-240. Across the road it costs up to \$750 for the 4 days over Easter. An exact amount is not known yet as the caterers are still undecided. This is to stay 2 minutes walk from the beach and have all facilities open to us. We will be staying with 300 other guests so this is why we have been limited to 100 beds only. A \$50 deposit will need to be sent to the Club ASAP as 100 beds will go fast. If you miss out then you will have to make other arrangements as we have only what they have given us in bed space. Each dorm has 6 single beds and this will mean that people will have to bunk up together. When you send in your deposit please make the cheque out to the QLD P76 Owners Club.

Rather than us having to make the decision on who will bunk together, if you have a group of 6 please let us know so that we can assign the group a room together.

If you are not staying on site and wish to have your meals with us then there will be a reduced cost per person. Please contact myself for a price.

On a personal note congratulations to our club secretary, Neville and Sonia Humphreys on the birth their first son Travis Humphreys. According to the new mum, her and the baby are doing well. (Neville is a mental wreck). On behalf of the committee we would like to wish them all the best.

Here is a list of club members that the committee needs to know their membership numbers

Stephen Bell, Jason Birmingham, Robert Buchan, Denis Collison, David Cook, Ron Hallard, Geoff Jones, Gordon Murray, Russell Nicholson, Cyril Nolan, Mervyn Ozanne, Phil Perkins, Robert C Wild.

If possible could the above people please contact the President or the Treasurer and notify them of their membership number. The number is used for our Public Liability Insurance.

Did you here about the engineer who was asked to go over the new BA Falcon to find all, if any faults? He sent in his report after circling the faults:

If you would like to see some of the Collectables that are going around please make an effort to come to the November General Meeting. You will be surprised on what some of our member have bought over the years. Shirts, ashtrays, P76 Game, tie pins, ties, picnic sets and models just to name a few. Also it would be nice if everyone could bring a plate of goodies (food of some description) for after the meeting. Hope to see you all there.

30th November 2003 Club Christmas Party

As mentioned in the Minutes, this years Christmas Party is going to be at the Northpine markets. It will be on the 30th of November at we would like all members to be there with their P76's as close to 9.00 am as possible. We will be setting up a display of the Club Cars and then at about midday we will be having a Christmas Lunch. For something different this year we will be having a concourse as well. We will be asking the on looking public to vote on their favorite P76, thus leaving it to them to decide the winner. I hope to see you all there.

5th December 2003

Since we are not having a general meeting in December this year we will be having a burger run from the church to Harry's Café on Friday the 5th of December. We will be meeting out the front of the Church at 7.15 pm and heading off in a convoy just after 7.30 pm. Harry's Café is like Arnold's in Happy Days. All the old style muscle cars hang out there.

Yes its official. We have 100 beds booked at the Tallebudgera State Recreation Camp on the Beach. We will be sharing this facility with 300 other guests and there will be more info in January. Also a bus tour on the Friday afternoon around the Gold Coast district and even a auction night with plenty of stuff for sale. We are hoping to put on a car display and have a few famous people there to judge the P76's. The price will be between \$200 and \$240 per person and will include all meals and bus trips. If you are interested in attending please send your \$50 per person deposit to the P76 Owners Club. **DO NOT SEND IT TO A CLUB MEMBER. (IT MAY GET LOST).....** Only deposits to the CLUB ADDRESS P.O BOX will be accepted. And remember there is only 100 beds available. Each dorm hold 6 people and if you have 6 people let us know.
