### **IMPORTANT NOTICE - ALL MATERIAL IN THIS MAGAZINE IS COPYRIGHT**

Other "P76 Owners" clubs are welcome to reproduce any original material in this newsletter providing a mention of "Leyland P76 Owners Club Incorporated Queensland" and the "Author" of that material as the original source is made.

## From the Editors Desk

Hello All,

Well another year blasts past and the AGM was held. Thanks to the old committee members we are still a going concern. Now we have some New Old Stock, members back for the new financial year and some great ideas have come forward already. If anyone else has some ideas on how to take the club forward, I am sure we will be happy to hear them.

As for my cars, I have done nothing. TOO Cold! I don't know how the fellas from the south, go outside and work on their cars this time of the year. My fingers don't like to operate at temperatures below about 20. Cars will just have to wait until it gets warmer and I have the time.

We have had an invite to the Mini Muster to display our fine cars. It sounds like a great idea. A quick search and I have found it is held at the Carina State School on the 14<sup>th</sup> of September. This is in the early stages so further info will be supplied closer to that date or keep an eye out on our Facebook page. It would make a fantastic warm up for the All British Day, a week later. Also, whilst we are on events, the August Repco display has been postponed until a later date. Also, there have been changes to the meal costs for children at the 2015 Nationals so I have included the forms again.

Till next time, Graham and Carol.

## ++++ Outgoing Presidents Report +++++

Firstly I would like to thank the outgoing committee for their efforts over the last year and in particular to Perdita who stepped into the Secretary's role and has done a grand job.

Also, big thanks to Alan Schutz who did a great job of sourcing the last available gasket sets and then distributing them to the various clubs.

The main event for the year was the Targa 40<sup>th</sup> celebration held in NSW. This was well attended by members of our club. Congratulations go to Neville Humphries and David Garlick who both won trophies at this event. A big honour and well deserved.

With no State of Origin this year, we will take that as a win for Queensland.

We also managed to shift a lot of second hand parts from Rogo's place north of Brisbane to our parts container at Yatala. Thank you to all who helped out with this.

Thank you for your support over the past three years during my time as President of the Queensland Club.

Richard

# President's Report

I would like to take this opportunity on behalf of Club members for the work the outgoing committee of 2013/14 carried out. Splendid job.

We the committee, for this year, would like to welcome you all and hope we are able to progress the club, so in helping you maintain and run your P76 at events and club activities.

The membership is very wide spread around the state and to ask members to come to meetings and event is difficult.

I would like you to assist us in requesting “what can your club do for you” and “how am I going to be seen”

The club will continue trying to keep the running spares up to you, but as I have been involved in upgrading a car, parts are starting to become limited. The club would like to see if any members who have spares that no longer need them, ie like V8 points would like to sell them back to the club.

Outings are another activity that you as a member in your area can do to promote the P76 by joining in runs with the local car clubs or contacting the local clubs and offer to organise an outing as you do have club insurance for such thing. Please let us know as we can add it to the magazine and put the activity on Facebook.

At the next meeting I am going to ask the editor to send a magazine to every member, as this is seen as advertising for you to display in the car and at events. Electronic copy will be available on the web in the magazine area. (this is a restricted area)

For those who would like to view past magazines you need to use the following username=brisbane and password=brsvagas and hope you enjoy looking at other club magazines.

Jenny and I, Alan S are heading to Newcastle for the NR Hunter club for the Targa 40<sup>th</sup> day on the 27<sup>th</sup> July. Any body else able to come to the event. Be able to write about this next month magazine.

I have to apologies to club members also for not having the Repco day at Virginia. It is postponed till a time to be notified.

From my reading on the web, the 15<sup>th</sup> nationals are ago in South Australia. Please try and book and ready yourself for next Easter. Members are looking at the possibilities to get transport for their cars to the event and drive back via the coast road through Vic and NSW. Looks interesting.

Well that it for the President report, hope you are keeping well and be seeing you.

Adrian.

## **MINUTES OF THE ANNUAL GENERAL MEETING**

Friday 11<sup>th</sup> July 2014 at the Sporting Shooters Assoc Australia (Brisbane)  
Madden Range, 292 Mt Petrie Road, Belmont 4153

The meeting was opened by the President at 8.15pm.

Sunday 21<sup>st</sup> September All British Day

Meeting closed 8.55pm.

**Subject: : 2013 DARWIN AWARDS Check out the last one -- the grand prize winner!**

## 2013 DARWIN AWARDS

You've been waiting for them, so without further ado, here are the 2013 Darwin Awards:

### Eighth Place

In Detroit, a 41-year-old man got stuck and drowned in two feet of water after squeezing head first through an 18-inch-wide sewer grate to retrieve his car keys.

### Seventh Place

A 49-year-old San Francisco stockbroker, who "totally zoned when he ran", accidentally jogged off a 100-foot high cliff on his daily run.

### Sixth Place

While at the beach, Daniel Jones, 21, dug an 8 foot hole for protection from the wind and had been sitting in a beach chair at the bottom, when it collapsed, burying him beneath 5 feet of sand. People on the beach used their hands and shovels trying to get him out but could not reach him. It took rescue workers using heavy equipment almost an hour to free him. Jones was pronounced dead at a hospital.

### Fifth Place

Santiago Alvarado, 24, was killed as he fell through the ceiling of a bicycle shop he was burglarizing. Death was caused when the long flashlight he had placed in his mouth to keep his hands free rammed into the base of his skull as he hit the floor.

### Fourth Place

Sylvester Briddell, Jr., 26, was killed as he won a bet with friends who said he would not put a revolver loaded with four bullets into his mouth and pull the trigger.

### Third Place

After stepping around a marked police patrol car parked at the front door, a man walked into H&J Leather & Firearms intent on robbing the store. The shop was full of customers and a uniformed officer was standing at the counter. Upon seeing the officer, the would-be robber announced a hold-up and fired a few wild shots from a target pistol. The officer and a clerk promptly returned fire, and several customers also drew their guns and fired. The robber was pronounced dead at the scene by Paramedics. Crime scene investigators located 47 expended cartridge cases in the shop. The subsequent autopsy revealed 23 gunshot wounds. Ballistics identified rounds from 7 different weapons. No one else was hurt.

### HONORABLE MENTION

Paul Stiller, 47, and his wife Bonnie were bored just driving around at 2 A.M. so they lit a quarter stick of dynamite to toss out the window to see what would happen. Apparently they failed to notice that the window was closed.

### RUNNER UP

Kerry Bingham had been drinking with several friends when one of them said they knew a person who had bungee-jumped from a local bridge in the middle of traffic. The conversation grew more excited and at least 10 men trooped along the walkway of the bridge at 4:30 AM. Upon arrival at the midpoint of the bridge, they discovered that no one had brought a bungee rope. Bingham, who had continued drinking, volunteered and pointed out that a coil of lineman's cable lay nearby. They secured one end around Bingham's leg and then tied the other to the bridge. His fall lasted 40 feet before the cable tightened and tore his foot off at the ankle. He miraculously survived his fall into the icy water and was rescued by two nearby fishermen. Bingham's foot was never located.

AND THE WINNER IS....

Zookeeper Friedrich Riesfeldt ( Paderborn , Germany ) fed his constipated elephant 22 doses of animal laxative and more than a bushel of berries, figs and prunes before the plugged-up pachyderm finally got relief. Investigators say ill-fated Friedrich, 46, was attempting to give the ailing elephant an olive oil enema when the relieved beast unloaded. The sheer force of the elephant's unexpected defecation knocked Mr. Riesfeldt to the ground where he struck his head on a rock as the elephant continued to evacuate 200 pounds of dung on top of him. It seems to be just one of those freak accidents that proves... 'Shit happens'

IT ALWAYS SEEMS IMPORTANT TO THANK THESE PEOPLE FOR REMOVING THEMSELVES FROM THE GENE POOL.

**Look what someone found in the south!! I'm sure most of that will buff out!!!!!!**

Just a small reminder that if you haven't paid your membership dues and you have historic rego.....

Well actually you don't. Your rego is no longer valid. Also if you haven't paid yet, you will get this July edition and August's edition, but that's it until you are current.
