Leyburn Sprints August 17-18th

This year the Leyburn sprints was celebrating the 70th anniversary of the Australian Grand Prix held nearby in 1949 and there were a couple of cars racing that actually competed at the Grand prix back in 1949. I borrowed my brothers' new motorhome and took my father in law up to the sprints for the weekend. It was a bit special for old Ray as he actually rode his Matchless 500 out from Brisbane to watch that Grand prix in 1949 aged 17. Ray was overwhelmed with the number of cars and the variety at the event. It was a shame that Reg was not racing this year flying the "P" flag, I enjoyed seeing it circulating last year and showing some of the Ford's and Holden's how to do it!! It was however a great weekend of classic motor sport and one that everyone should put on their must do calendar, the camping area was huge and the facilities were great!

Some very nice cars are shown below, some like the Riley I would Love to own!!

Another one of my dream cars XJS

From the Editors Desk

G'day all, the year is almost over and its only 6 months until the nationals, please make the effort to come to our next meeting at the shooters club on Friday the 8th November our last meeting was cancelled and there is still a lot of planning for the nationals to be done!

I am still in need of some information from members about events or about your travels in this great country of ours, please look through your photos of any activities that you have done that relate to anything of interest to fellow P76 club members and send through to my email below.

Don't forget please send me as much information and/or photos on any of your car adventures so that we can share some of these exciting stories with fellow club members. Without your input the magazine will become a little dull, especially if I am the only person rambling on!

I also ask that members send me some photos and info from your early days with the mighty "P" for my segment called "Blast from the past". I haven't received any historic stories from members yet.

Remember as members of the "P" club this magazine is your magazine, so please send in any information you can to my work email: dmuir5@eq.edu.au

Hope to see you all on the road soon.

Cheers David

President's Report

Hi all.
