## From the Editors Desk

G'day all, with Queensland now as close to normal as possible in this climate of a worldwide pandemic we are looking ahead with confidence that the National meeting will happen this Easter in Stanthorpe. Our Club is going ahead with the planning for the nationals to take place as was planned in 2020 again in Stanthorpe over Easter 2021. A special edition of this magazine will be sent out next month with information on the Nationals. We are so much better off than most of the rest of the world at the moment and are able to live a relatively normal life. People are able to get out and about in their cars and there is going to be a big display for Australia day this coming weekend at Ormiston State School, see attached flyer to this newsletter.

Our club will hold a general meeting at the Australia day event starting at 10.00am. Just look for Adrian's 6 cylinder "P" amongst a group of outstanding "P"s on display.

Our last meeting was at the Christmas party at Alan and Janice Dorber's place at Mt Cotton on the 22<sup>nd</sup> November. Thanks again Alan and Janice for the use of your beautiful property. Some photos of the Christmas party can be seen later in the newsletter.

A quick reminder to members, please send me as much information and/or photos on any of your car adventures so that we can share some of these exciting stories with fellow club members. I also ask that members send me some photos and info from your early days with the mighty "P" for my segment called "Blast from the past".

Remember as members of the "P" club this magazine is your magazine, so please send in any information you can to my email: [dmuir5@eq.edu.au](mailto:dmuir5@eq.edu.au). Hope to see you all on the road soon.

Cheers David
